Dear Mr. Buchanan,

The Exact date of death for Homer Gensley is June 26, 1953. (Bulbar Polio was the cause of death). I didn't think of anything additional to add to the information. Thank you for your time. I am not sure about your information on my son Robert Treat Gensley. Since he was not married I don't believe I mentioned to him about joining. Should I have done so?

Dear Pat:

Perhaps you will recall that when I talked to you on the phone you kindly offered to help me obtain the information on your family for the Supplement we are writing.

I realize that is quite a job; so, I wrote your parent's entry to show you that there are only a couple items needed there. These are:

1) the date of your mother's death
2) the place (city + state) of your mother's death.
3) the name of the cemetery where she was buried.

Easy?

Also, if you wish, I'll be glad to write each of your sisters for their family data. Just give me their addresses and I'll write them. In fact, I see that Mary and Susan are members of our association so I have their addresses. All I need is Julie May's address. OK?

Best regards,

Merwyn

Dear Mrs. Ellsworth:

On August 4, 1980, I wrote you requesting any needed change in the Walter Andrea^{10} Merwin entry in The Merwin Family in North America.

Since I have received no reply, I assume there is no revision required. May I have the address of your son Andrea Lewis Merwin?

I tried to phone you to save you the trouble of writing, but your phone is unlisted.

Your help will be much appreciated.

Dear Mrs. Rogers:

Thank you for the prompt return of the family record sheet on your family.

I'm returning the sheet because you misunderstood one thing. The section under your husband's name is his. We need there his parents' names and his date and place of birth.

Also, we need the place where you were married.

I'm enclosing some blank family record sheets. If any of your children are married and have children, we'd like a sheet filled out on their families.

Your help is appreciated. Hope I'm not a nuisance. Perhaps you will fill in the personal history on the reverse?

Best regards,

Merwyn

I am asking you one more time for a biography. If I do not hear from you by February 28th, I'll understand you do not want your bio in the Supplement and close your file.

Dear Folks:

I am reviewing my records in an attempt to make certain that no tenth generation Merwin will be omitted from the Supplement.

Your mother had a sister Evelyn Pearl Merwin who married a Charles L. Preece. Also a sister Lucy Amelia Merwin who married a John Joseph Jonas.

Can you tell me whether either of these women are living and, if so, their addresses. If not, could you give me names and addresses of any of their children?

Any information you can give me will be much appreciated.

Dear Mr. Buchanan,

I had my Brothers fill out the enclosed Family Record Sheets and hope these are of help. Also I have put in a few corrections on the file 4073 "Gladys Merwin".

1. Grandmother Hunts name was Lena
2. Gladys & ward C. Hunt were merried in Milford at her Mothers home (Mr. & Mrs. William L. Merwin)
3. Russell William Hunt was born July 23, 1918
4. Paul F. Hunt Married Marie Callegari.
5. Ward C. Hunt Jr. Married Mary Pyne B. Nov 22, 1934

Both my Brothers Ward C. Hunt and Russell W. Hunt would like to become Members. Enclosed please find a check for $4.00.

Thank you and I'm sorry it took me so long. While I'm writing I would like to say that I have enjoyed the Merwin Book and am so proud to be part of it. I am researching other family names and all my genealogy friends think it just wonderful. I always wondered if there is a Merwin Coat of Arms. I would be very proud to have a framed picture or writing paper with the coat of arms on it. Well, just a thought.

Sincerely,

Dear Mrs. Trowbridge:

I need your help in preparing the supplement to MFNA.

Is there any change which should be made in your family's entry? See enclosure.

I also need the enclosed family record sheets completed (including the personal history section on the reverse side). Your brother Paul's sheet has been sent to him since I know his address. Can you get your other brothers' sheets completed?

Can you give me your grandmother Hunt's first name?

Where were Gladys Merwin and Ward Chester Hunt married? In Milford?

Will you please explain to your brothers that they and their families can be entered in the supplement only if they are members of the association.

Sincerely,

Merwyn

MR CHARLES B MERWIN
89 MC CONNELL AV
BAYPORT NY 11772

Dear Charles:

Your letter dated 17 April containing good news- bad news. was duly received.

I am sorry to learn of Gail's passing. She must have suffered.

It no longer surprises me to receive a letter advising of the a death in the family and a birth at the same time. It happens so often. It just seems that the good Lord replaces sorrow with joy. A notice will be put in the May *Milestones* which I am about to prepare.

It occurs to me that I have no information in my files about any of your children. I am enclosing a family record sheet. Would you like to make enough two-sided copies and ask each of your children to fill out and return one to me?

Yes, people are continually finding articles about WS Merwin. and yes he is descendant from the Merwine family who came to New York and Pennsylvania in the middle 1700s. They are of German extraction. A descendant sent me a photo of a gravestone written in German. And they were Huguenots.

I make it a point to follow up on every Merwin that comes to my attention. Recently bought a History of Durham, Connecticut., and I am tracing every mention of a Merwin to supplement what we already knew of them. It is tough to race a family of someone starting in the 1600s since then there were no census records at that time. Although I have wonderful libraries available in the Philadelphia area, a search for the Robert Merwin you mentioned would be much more effective in the New York area.

It was a pleasure to hear from you.

April 17, 1995

Dear Cousin,

We here are sorry about the reunion's being cancelled. Maybe next year, God willing.

I have two pieces of genealogical data for you. The first, with great sadness, is to report the death of my beloved wife, Gail, on January 5, 1995, of cancer and complications deriving from it. Gail was buried in accordance with her wishes at St Ann's Episcopal Cemetery, Sayville, New York, on the 7th of January.

My daughter, Alexandra Merwin Amon, gave birth to a baby boy, Nolan David Amon, on the 15th of August, 1994. I'm happy to say that both mother and child have done very well, and (of course) I have plans for him to become President someday.

Genealogy continues to fascinate. One of the children gave me a tape of W.S. Merwin made at his Hawaiian home, with many reminiscences of his childhood. My understanding is that he is not a descendent of our immigrant ancestor. Is he perhaps one of the Merwins reputed to be of Hugeonot ancestry? A number of years ago, Gail and I (at the behest of Margaret Merwin Patch) did some obituary screening at the (at that time) Long Island Historical Society on Pierrepoint St, Brooklyn, and found a number of Merwins not represented in our genealogy. We also found a Robert Merwin living, with a son, as a wolf bounty hunter at Southampton, Long Island, around 1648 (he subsequently moved to Hempstead, L.I., and where he then went, no one seems to know). A contemporary of Miles, and living (geographically speaking), a mere stone's throw from the Connecticut Colony, his well-documented existence offers much food for speculation. I had discussed this with Margaret, but she had no information relevant. Do we ever follow-up on some of these anomalies?

Well, enough for now. Hoping that you and your family are all quite well, and that we'll see you next year, I am

Yours truly,

Charles B. Merwin, Jr.

Dear Cousin,

Thanks for your letter. Alexandra will be very happy to hear from you on behalf of the Association. Her address is:

Mrs. David Amon,
204 Buffalo Avenue,
Medford, NY 11763.

Actually, she has always been interested in family history and, back before job and family interfered with our attendance at the reunions, she went with us to Milford. She and Dave have an interest in horses and horse care, so I was both surprised and pleased (with some certain dubiety) when she named her stables "Buckingham Farm."

My second daughter, Daria, is studying with Dr George Bass at Texas A & M. Dr Bass made an interesting connection with our name - he had met and had a long conversation, apparently, with John David on the subject - as I understand it - of holding a Carribean conference on underwater archeology on St Croix. You can never predict when and under what circumstances the "family connection" will transpire!

The gentleman whose name eluded me, and whom you identified as Jerry Woodworth, actually was Jerry Martin who seems to have been in touch with you a few years ago in re: his "Merwin connection." That "connection" goes back to a g-grandmother from the Jesse Merwin branch. Jerry is a retired NYC policeman, and he and I had several pleasant conversations about family history and his researches. I'll try to look back at his notations, since the Vol. 1 Genealogy specified that nothing was known about this Merwin daughter who was his antecedent; it had not occurred to me at the time I met Jerry to turn over to you his information.

About the Jesee Merwin homestead, I had no idea that it was still extant. But I can tell you, it was a thrill to see at Kinderhook the very room where Martin Van Buren held his customary soirees (a long first floor center hall cum banquetting room), and at which Jesse Merwin was a regular and highly favored guest.

Thanks again for your letter. Our best to you and Betty. Unfortunately, Gail's physical condition may preclude going to the reunion this year, as she has had a small setback in her treatments post-surgery (for cancer), and

although we had hoped the course of treatment would be over in February, it seems now as though we are looking at July as a likely end of this experience. So, we'll just "play it by ear" until the time comes.

It was good to hear from you!

Your cousin,

Charles B.

Dear Charles:

Congratulations! Not only on your daughter's marriage, but your graduation from school. It must have been a bit difficult to stick to schooling and take care of your family duties.

May I have your daughter's address? I like to send a brochure about the Association to newlyweds. Although Alexandra knows all about our Association, she might be interested in joining now that she has started a family of her own.

You asked about Jerry Whats-His-Name? I searched my records and scratched my brain for some time and could not remember it. Until I just started writing this letter to you. He is Rodney G. Woodworth. His middle name is Gerald, but he goes by Jerry. Yes, we did get him tied into our Miles[1] lines with your help. He lives in East Jewett. He is a member.

One of these days, I am going to visit VanBuren's home. I am curious to see Jesse Merwin's home. Is that near it?

It is good to hear you may make the reunion in Milford this year. Betty and I will look forward to seeing you and yours again.

Dear Merwyn,

I don't know whether Cousin Jerry (Oops! I've lost track of his last name), who had inquired of you about his Merwin ancestry, ever got back to you after researching in my copy of Volume 1 of the genealogy. However, we did meet, and he borrowed the book and found, within reasonable certainty, the link he was seeking, and it turns out that he is descended through a female line from the Claverack group in upper NYS. So, he was happy with his findings.

Speaking of the Claverack branch, two of my daughters and I were visiting Martin Van Buren's home, and as soon as the Park Service manager saw our name in the visitor's register, he asked if we knew anything about Jesse Merwin, and was impressed that the girls did, indeed!

We've had a wedding recently, and I thought you ought to have it for the record. On November6, 1992, at St. Ann's Episcopal Church, Sayville, NY, my daughter, Alexandra (MFNA 5112) was married to David Price Amon (b. 6/13/63 at Chester, PA), son of Mary Jane (Hamilton) Amon and John James Amon of Syosset, New York. Alexandra and Dave reside in Medford, NY.

MMA 10 ✓

Another bit of news for the record: I graduated last June from the George Mercer Memorial School of Theology, Garden City, NY., an institution for the training of priests and deacons in the Episcopal Church.

Hope all is well with you and family. It doesn't look like there will be any conflict for the reunion this year, and the seemingly unending round of graduations, weddings, etc. etc., so maybe I'll be able to go to Milford. Looking forward to seeing you all.

Dear Cousin Charles:

Thank you for your letter dated 25 May.

I am delighted that you and yours will attend the reunion this year. It wil be good to get re-acquainted. It has been a long time.

Unfortuately, I do not have any information on the Burgess family. If I were you, I would start my search with St. Mary's Church in Brooklyn. Generally, the records of a church give information on the pastors especially those who were bishops. If the church can not help you, apply to the headquarters of the church of New York. If you can learn the college he attended, you can contact the college for a biography. I have found the descent of a minister by a biography in an alumni publication of a college. It gave his parents' and wife's names.

Another place to try is the New York Biographical and Genealogical Society which, I believe, is located in Brooklyn. They could be of help.

Since the bishop's middle name is Merwin, I would suspect his mother's maiden name was Merwin. Often happens that way.

I am sorry that all I can offer is advice on how to proceed, but it is the best I can do.

Sincerely,

Merwyn R. Buchanan

In Trip From Snohomish to Longmire's - 1882, a diary written by Mary Jane (Lawrence) Merwin, mother of Ella Merwin Williams [above] mentions buying a Bible and an album for Ella; therefore, Ella was living in 1882 and, presumably in Snohomish, WA. Thomas Williams was the boss of a logging camp on Lake Stevens, WA, in 1907. When the camp closed, he bought 12 acres of land with 600 ft. of lake front. He attempted to farm the property, but there was no road to the property for several years. He took off for Alaska, and his wife and son joined him in 1917, living in mining camps for about a year. In the twenties, they returned to their land on Lake Stevens. Ella Merwin Williams and her husband, Thomas Williams, operated a large resort there until it burned down in the thirties. It became a favorite weekend place for people from Seattle. It was maintained as a decent lodging. No liquor was allowed. Gwilym Williams owns a timber claim there now. Dear Cousin Merwyn,

I have been searching the genealogy for connection of our family with that of BURGESS of Connecticut, but can find no hint so far. My late father had told me many years ago that, when he was confirmed at St. Mary's Church, Brooklyn (probably around 1908), he had gotten into conversation with the Right Reverend Frederick Merwin Burgess, who was the second Bishop of Long Island, about their family - shared- name, and Dad had said that Bishop Burgess knew the realtionship. I had been pondering the possibility of writing a brief biography of this sterling gentleman and fine churchman, whose life is more tantalizing to me because of the possibility of the connection.

Would you be kind enough to search your own memory on this? Perhaps there is something I overlooked in our genealogy. Gail, the children, and I plan to be at the reunion at Milford this year, afetr many years' absence, and we're looking forward to seeing everybody again, even though with a little sadness that so many - Miles and Marguerite, Florence, Gaius Sr., and Margaret Patch come to mind immediately - who will not be there. The memory of them and all the others who used to meet are dear to us.

Hope you are well. Looking forward to seeing you all.

As you may know, we are in the process of updating our genealogical records with the view of publishing Volume III of The Merwin Family in North America.

We are rewriting the eleventh generation of which your children are members. Will you please give me the names and addresses of your four children - at least those who are married - so that I may correspond with them?

Your help will be much appreciated.

Dear Bob:

It was a pleasure to meet you at the reunion in Hershey. I hope you enjoyed it as much as I did.

As you requested, here is n Association brochure which contains an application form to join our Association. Also enclosed is a Merwin Family Record sheet completed as far as my records show your family. I did not enter you biographies on the reverse since you probably wish to update the story for you and Joyce. Fill in the reverse side with your current information.

If you would care to give me the addresses of your daughters, I would be pleased to send them brochures so they might also join our efforts.

Dear Cousin:

In reviewing my records, I found that I have written you more than three months ago requesting information about your family for inclusion in Volume III of The Merwin Family in North America, our genealogy.

It is possible that you have replied and I misfiled your letter since filing is not one of my strong points. If you have answered, please tell me so. If not, may I hear from you? Your answer will be much appreciated and ensure your being in the book.

Sincerely yours,

Dear Donald:

Thank you for your letter dated 11 Auguat regarding your new granddaughter, Thea Jane.

We will most certainly put a notice in the next *Milestones*.

In reviewing your file, we noticed that we have only a little information about your children and grandchildren. You children have not been very cooperative in this regard. At any rate, I am enclosing a Merwin Family record sheet. Please make any needed copies and see if you can convince each of your children to update their family information.

Your help will be much appreciated.

Dear Cousin:

Hate to bother you again, but I have written Susan and Alison twice and have been unable to get either of them to reply.

I have a feeling you and Pamela would be interested in having Susan's daughter, Rebecca, in Vol. III of MFNA. Accordingly, I am writing you with the hope that you will apply a bit of parental pressure and get Susan and Alison to reply to my letters. It will not cost them anything since, as persons born Merwins, they are entitled to be in the book.

Donald has responded and even joined our Association.

If I do not hear from your daughters by December 31st, I shall close their files.

Best regards,

VOLUNTARY CONTRIBUTIONS

Sincere appreciation is hereby expressed to the many members who include a voluntary contribution with their payment of dues. Since our fund drive started in February 1988, there have been 145 of these contributions for a total of $3,100. This has been a most helpful supplement to those who have generously made a special contribution or three-year pledge. $12,850 has been raised (including installments due in 1990) from the latter so all together $15,950 of our $20,000 goal for Volume III has been raised. The fact that so many have supported the Association in its genealogical research and copilation of Volume III augurs well for the future. We are, however, $4,000 short of our goal so an appeal is hereby made for additional contributions, especially to those who have not yet given their support. Checks payable to the Miles Merwin Association, Inc., should be forwarded to our Treasurer: Gaius W. Merwin, 34 Crestview Drive, Jaffrey NH 03452.

Dear Cousin:

We are writing a Supplement to The Merwin Family in North America (published in 1978). Our purpose is to continue that genealogy from the tenth through the fourteenth generations (from Miles Merwin 1623-1697).

Since you are one of our family, we would appreciate your completing the enclosed family record. Missing items are encircled or indicated by a question mark. There is no charge or obligation on your part. All Merwins should be in the book.

Your cooperation will be much appreciated.

Best regards,

Merwyn

Dear Cousin:

Your father wrote me about your brother David and told me some information to update his biography in The Merwin Family in North America. However, he didn't give me David's address. Would you please give it to me. I know your father has to have someone write letters for him. I don't want to bother him again.

Incidentally, will you be able to reply to my letter of Aug. 4, 1980 soon? I want to include your family's update in the Supplement.

Best regards,

Merwyn

Feb. 3, 1981

Dear Mervyn! Im sorry not to have answered your letter of Sept 21. Signe put it in the geneology file, so I did not see it for several weeks. To answer your question, I do not have any addresses for Barbours, or other cousins. I have not heard from them in years.

Virginia Wallace Merwin was the only surviving daughter of my brother Douglas. She had two children by Charles Greaves, who died some years ago. Her daughter, Christine Virginia, is about forty now and is a Roman Catholic Sister. She is teaching in White Plains. She is home every week end. The son Charles Jr. entered a Roman Catholic Seminary while in High School but then left. He was studying in Atlanta, Ga. and several years ago he was in an accident and killed, involving an exercise machine. We were never able to get details

Ive urged our boys to join the Association and I dont know if David has responded to the request for updating his biography. He is very modest about his achievements. I will just outline them

1957-1961 David was in the

U.S. Marine Corps, 1st Reconnaissance Corps, stationed at Camp Pendleton, but engaged in exercises in Taiwan, Japan, and Korea. In 1963 he was involved in an incident when he was engaged in directing evacuation of a submarine, and he got the "Bends". In order to save his life, the Captain of the submarine put him aboard in the escape hatch and dove to a great depth, keeping the submarine from surfacing for about twenty-four hours, until they reached a decompression chamber in Oakland. This made headlines in Newspapers and Life Magazine! After leaving the marines he entered Stanford U. and eventually got his B.Sc. He has spent much time in Japan in recent years, having just returned from a month there. He works for the Parks + Recreation Department in the Oakland district and in the Labor Union. He is engaged in writing an autobiographical novel which he hopes to publish soon.

I hope this will be helpful. I think this is all the information I can give you so you won't be hearing from me anymore.

Dear Rev. Merwin:

Thank you for your letter of September 5th. I appreciate the addresses of your children and I'll make the corrections you suggested. Can you give me the addresses of these people?

1- Virginia Merwin dau. of Douglas Boige Merwin
2- Malcolm Keiller son of Dorothy Merwin Keiller.

Also, I would appreciate it if you would suggest to your sons that they join our association. And your daughter too. In doing this work, I am surprised at how few Merwins are members. Our association, like a church, must get new members to grow and continue to serve. So your help would be most appreciated.

Dear Merwyn:

I remember meeting you at one of the family meetings in Connecticut in the early 1970s, when my father and mother (Wallace and Signe) also attended. I regret to inform you that both my father and mother are not well. Father has been battling Parkinson's disease and is essentially unable to do anything for himself. He also is now blind and the doctors consider him too frail to operate on. He is bedridden but under care at the Presbyterian retirement home in the health center at Duarte,California. It is sad to have him in such poor health because his mind is still active, yet because of his parylisis, he cannot even talk (at least so that he is understandable). Mother cannot remember who she is talking to or what she is saying and is also in the health center under nurses care. Donald, their eldest son, lives nearby and is able to see them but for him it is quite frustrating not being able to do more for them.

I appreciate the opportunity to comment on the supplement entry for our family in Merwin Family in North America. Enclosed is the entry, with a few minor changes, which will be perfectly fine for use as far as I am concerned.

I am also enclosing a rather curious letter I recently received. It requires little comment other than I think its a get rich quick scheme. Have you received anything like this. If it is legitimate, I would be interested in hearing from you--but suspect it is an organization that does minimum research on many family names and sends out the invitations such as the one I have enclosed..

Keep up the good work and I hope one day when we get back east all of us here in Moraga will be able to attend some of the family functions.

Sincerely

Paul L. Merwin

contained 3,549 inhabitants of which 415 resided in Ballynure Village. The parish comprises 8,540 3/4 acres of generally fine agricultural land. Within the parish lie the townlands of Castletown and Ballygowan where branches of the Buchanan family resided. These townlands share a common boundary with each other Ballygowan lying on the northern side of Castletown. The townland of Bryantang, where Elizabeth Wilson (wife of John Buchanan) lived until her marriage, lies on the southern boundary of Castletown about one mile from Ballygowan.

Here are the parents of William Buchanan. On the left is his father, John Buchanan (1787- 1878). On the right, his mother, Betty Wilson Buchanan (1791-1886).

The birthplace of William Buchanan, as shown on the next page, was typical of the Irish farmhouse of the nineteenth century. It is made of stone, two stories, and one end is the house and the other end is the barn. Chickens are generally housed on the second floor and cattle and horses are stabled on the first floor. The average farm was about four acres. Most of the farms were rented from large landholders. The author, Merwyn Buchanan, and his wife, Betty, visited cousins in Northern Ireland in 1960 and stayed with the Crawford and Mary Magill family and his mother, Mary Louisa Magill (our main correspondent over the years), in the farmhouse across the road from the original Buchanan homestead. At the time of our visit, a Buchanan descendant was occupying the homestead. William Buchanan was born and raised in the farmhouse depicted here. Merwyn and Betty Buchanan

Tony Vacik, Sr. works for Scattaglia Farms. He is one of the few remaining persons who lived at Llano, CA, where a socialist community was founded about 1914 by Job Harriman, a member of the United States Socialist Party, who bought land from Quakers for $80,000. He spread the word around America of the new colony and all kinds of peaple who searched for a better life came to Llano. Among them were Tony and his parents. The Llano del Rio Cooperative contained about 900 people on about 2000 acres of land in the southern part of the Antelope Valley. Historians claim that the colony collapsed from restrictions of water it could obtain from Big Rock Creek. The Los Angeles Times newspaper fought the colony by advocating the water rights belonged to the town of Valyermo. Lack of water ended the socialist experiment and the colony died after flourishing for a few years.

I just realized that you are not a member of our Association. If you would like to join, just send me a check for $10 payable to Miles Merwin Assn. for annual dues and I shall sign you up. I think sometimes that people do not join because on one has asked them. So I ask.

knowledge.

The name Buchanan is lowland Scottish and is believed to have originated in the area of Loch Lomond, now known as the Lands of Buchanan. During the reign of James I, the English encouraged the English and Scots to settle the Plantation of Ulster - the nine northern counties of Ireland. It is the writer's belief, albeit an assumption, that the Buchanan family were among the settlers in Ulster during that period. At any rate, one William Buchanan and his brother, Malcolm, immigrated from Northern Ireland to Philadelphia in 1851. The names of William's parents were John and Betty (Wilson) Buchanan. John was born in Castletown, Ballynure, County Antrim, Northern Ireland. About 1816, he married Betty Wilson, daughter of William & Mary (Machonghie) Wilson of neighboring Bryantang townland. At the time of their marriage, they removed to Ballygowan, Ballynure, a townland bordering Castletown.

Efforts to trace William Buchanan's line beyond his parents were frustrated by the lack of existing church and land records. Available records were searched by a competent genealogist with no concrete result. There is a record of a John Buchanan, an adult, living in Castletown in 1775. There is a good possibility that he could have been the father of John (1787-1878). John Buchanan (1787-1878) named his first son John. This would confirm that John (1787-1878)'s father's name was John since Irish custom was to name one's first son after the child's paternal grandfather. Following is a summary of William Buchanan's progenitors and his immediate family.

John Buchanan   William Wilson m. 1784 Mary Machonghie

Dear Alma:

Your father wrote me and said you have a cousin, Mrs. John de Lettera living near you in Dunwoody. Would you please give me her address?

Your Dad's letter caused me to look at your file in my records. May I please have a reply to my form letter of September, 1980?

Best regards,

P.S. to yesterday letter! —

I failed to answer your inquiry regarding Malcolm Keiller. He is the son of my sister Dorothy, born in 1936. He was graduated from Center College and is now a banker in Erie, Penn. I don't have the genealogy at hand but you may not have listed Nancy Keiller de Lettera, who is Malcolm's older sister. She was born in 1931, and was married to John de Lettera and is now living in Dunwoodie, Ga., near our daughter Alma. She has five children, all of them grown.

Dear Cousin:

As you may know, we are preparing a supplement to the Merwin Family in North America.

Enclosed are family record sheets on your family and, where applicable, sheets for each of your married children. We would ask you to review these sheets for accuracy and give us any needed correction or addition.

We especially need your married childrens' complete address so that we may write and ask them to become members of our association. This is necessary to include the family of any person not born with the Merwin surname.

Your assistance is much appreciated.

Sincerely,

Merwyn

P.S. Please give me short biographies for yourself and each of your children.

Dear Cousin:

We need your help in preparing the supplement to the *Merwin Family in North America*.

Enclosed is a copy of your family's entry in MFNA. Is there any change you feel should be made? Particularly in the personal history section up-dating may be necessary.

If you have children over eighteen years of age, you will find enclosed a Merwin Family Record blank. If your child is married, please complete the family record for him or her and return it to me.

Your help is much appreciated.

Sincerely,

Merwyn

Someone at Brightview brought her to the phone & we had a short conversation. She was delighted to hear from one of her Merwin cousins & was very apologetic for not letting us know of her whereabouts. She said to be sure to give everyone her love. She moved 4-5 times after Care Manor in Farmington. The last address - you gave me.

4093

Hope this finds you & Midge okay. Ed joins me in sending lots of love to both of you. Lovingly, Ruth

Dear Cousin:

Thank you for the family information you recently sent me. There are one or two remaining problems as indicated by the checkmark below:

☐ Missing bit of information:

Here is the draft of your entry for the Supplement. Your sons have not replied to my letters so their families will not be included. I would like to add your biographies if you care to give them to me.

☒ A short biography is needed of you and your husband. Include schools attended, degrees earned, occupation, military, civic and church service, etc. Do not include hobbies. (Give full name and location of schools; indicate approximate dates of graduation, military service; grades or ranks attained; names of companies where employed).

Dear Cousin:

Thanks to your sister, Doris, I have been able to track you down.

Enclosed is a copy of your family entry as it shows in *The Merwin Family in North America*. In the supplement we are writing, the 10 th gen. will be re-written. Please give me any needed correction in your entry.

Also, I'd like a brief biography of you and your husband.

I have written your children for missing details. Since you were born a Merwin, you need not be a member of MMA to be in the supplement (altho we would be pleased to have you). However, your sons must be members to be in the supplement. Hope you'll persuade them to join. The dues are only $2.00/year.

Best regards,

Merwyn

Dear Merwyn-

Here I am again very apologetic for being so long in replying to your letters. Early in September I pulled a ligament and sprained my foot. It bothered me so much that I had no gumption to get the things done that I should.

Anyway, now I'm trying to catch up with things!

I've talked to my sister, Virginia (Harriet Virginia) and told her I would fill out the forms since I have a lot more time than she who is manager of a fabric shop! The information is not too complete but hope it will give the basic information.

I admire you for the great amount of time you are spending on the genealogy, particularly your patience with someone like me!

I hope we'll see you in New York on December 6th.

My sister, Virginia, as we call her, does not belong to the Merriam Association, although she has been to several Reunions and, believe me, is very proud of her heritage. For future reference her address is Box 57, Darien, Conn. 06820. She and her husband live on a 40' sailing and motorized boat.

See you next week.

Cordially,

Doris

Dear Mary:

Thank you for your prompt reply. I am pleased that you think John will be interested in joining our efforts. I suggest you address the Mile Merwin Association home page at http://www.wp.com/merwin/. There you may click an item which will produce an application for membership. You may download it and send it in by mail.

My phone number is: (215) 646-0231 if you care to call.

My full name is Merwyn Russell Buchanan. My great grandfather, Uri Nettleton Merwin, lived with my mother's family in his later years. Mother admired him so much she gave me his family name. I was lucky I did not get "Uri". When my parents taught me to write my name, they changed it to Merwyn. It really makes little difference since, as Genealogist for the Association, I have discovered families who spell their name "Merwyn".

Looking forward to hearing from you and John.

Best regards,

Merwyn

Hello,
I will give John your e-mail. Please send info on joining the Association, I think John would be interested....I'm sure that John will give you info on his rally experiences and I think he will also participate in the biography. I don't mean to sound vague but I don't want to commit John to anything with out his knowing about it. I think Mrs. B. would like for John to continue with the Association. Her heart's desire (one of them) was for her to give us her family tree with personal stories...I'm so sad that there was no time for that....Please write again...John doesn't use the computer much for e-mail but as you can see, I do...perhaps a phone number would be helpful for John. Please excuse my not knowing this but...is the Merwyn in your name the same Merwyn as Mrs. B? Talk with you soon....Mary

Dear Mary:

John's Uncle Stuart sent us a note about his family's attendance at the funeral of John's mother, and included your e-mail address. I was personally sad to learn of Emily's passing. She and my wife and I were not only cousins but friends. We saw Emily at reunions and visited her at her home in Connecticut a couple of times. She was a fine person.

We are putting a note in the next issue of Milestones about her death. I was wondering whether you folks would consider rejoining our Association to keep us in touch with your family.

Also, Stuart suggested you might be willing to give us a biography about yourself and John with emphasis on his activities as a rally car driver and work with that Association.

Please let me hear from you.

Dear Gaius:

I've enclosed the annual dues, etc. for my portion of the Merwin Clan.

Thanks so much for your kind thought regarding Em. She truly was a great gal, and everyone will miss her very much. Lorraine and I, along with Holly and Richard Johnson (our son-in-law) went to Burlington, VT for the services. She is buried in the Merwin "plot" at the Wallingford, CT cemetery along side our Mother and Father.

I'm assuming that my nephew, John Merwin Buffum, is a Merwin Assoc. member. You may know that John has been the No. 1 Rally driver in the U.S., and is currently, (I believe), the head of the Association and is still very active in racing through his step-son, Paul Choinier(sp?). I think John's wife Mary would be happy to provide info. on him for an issue of the Merwin Association "Bulletin". Her e-mail address is --marybuf@aol.com.

Dear Emily:

Thank you for your letter dated 5 April.

I am sorry you and bill will not be at the reunion. My main concern about the event is whether we will have enough people show up. Since it is a resort and therefor expensive, I felt not many would show. To date, twenty-two persons have signed up. I think that thirty would equal the number we have been getting out to the Milford affairs. So, if we get close to that figure, I will be pleased.

You two are certainly the travelers. You must be confused about where you are when you awaken in the morning. I experienced that feeling some years ago when I spent a couple of years traveling for Honeywell.

I think John's family is completely covered unless there have been some new additions since 1983. Look at page 229 of Volume II of *The Merwin Family in North America* for coverage of your family.

I am indexing and finishing up a genealogy I have been writing on the Vanaman family. Spent the last three years on it. Betty's mother was born a Vanaman. The family were early settlers of northern New Jersey. They moved to the southern part and grew to be a very large part of the population there. I have 950 descendants of the family listed in the book.

The gal next door is an artist and I have commissioned her to paint the Merwin coat of arms. Do not know how many Merwins will be interested in having a copy, but I thought I would give it a try. Going to have a few color photocopies to display at the reunion. Photocopying should make copies reasonable enough for anyone.

Betty and I are doing well now that the horrible winter is over. the temperature will hit 80 degrees here today!

Best regards,

left handed, so I can write! Perhaps I will get some of correspondence up to date!

The Reunion in Williamsburg sounds wonderful! We were hoping we could make it, but will not be able to join you. We are due in Maine for the first week in June — Past Pres. Retreat of AASA for which we are somewhat responsible since we are the only New Englanders of the group! Plus — a wedding in Boise, ID of Bill's granddaughter — on July 2 — for a week's visit. June is the month, also, when things need to be prepared for Summer in NH — our home, garden, Etc — plus Bill's cottage next door which he rents. There is a lot of property — and much clean-up + fix up. We have just returned (on Mar. 8) from a 4-week trip out west — San F. Convention of AASA — drive up west

Finally made Boise where we had a great week's visit, but it was very tiring. We had a great time, but were glad to get home. - - - Bill is going to be 85 on April 26 and in good shape and I did most of driving, but it is tiring. Anyway, we are fine now and looking forward to spring & summer - I'm sure you are, too. It is 40° here today, but cloudy and raw.

Your Tauck Tour sounded wonderful! I know several people who have been on

them who had some reactions
you did -

Merwyn: I don't remember whether you have been carrying my son John's stepchildren in the Genealogy, Records? news? If so, I have updates of their children (his step-grandchildren). If not, it is OK - I thought it probably was just blood relatives, such as Courtney Buffum, who is his daughter - She is much improved, but still partially paralyzed on the right side + in a wheelchair most of the time. She's only 20 mins. from here so I see her often when we are here.

Hope you and Betty are well - Keep in touch - Have fun in Williamsburg.

Dear Emily:

Many thanks for your Christmas letter. I like this sort of communication at year's end. Guess I just like to know what people are doing. Happy to hear of Courtney's progress. I know she is very dear to you.

You and Bill certainly do the traveling. Perhaps I told you I worked for our local school district for ten years before my retirement. I was in charge of the business office. During that time, Betty and I did quite a bit of traveling to conferences. We stayed in plush digs at Harrah's Hotel in Atlantic City, visited San Antonio, and other places to which we would probably never have gone.

The trips are fewer now since we have to bear the cost and costs are high. We had no gone anywhere special for several years, but in September we toured the Canadian Rockies. It was a grand trip. We went of a Tauck Tour. Believe me it was first-class. Lake view room at Lake Louise, meal menus without prices - you could eat all you wanted, and no one bothered you for a tip. Extraordinary.

I would certainly like to see you and Bill at Williamsburg. The *Milestones* No. 104 has all the details. Be sure to get you reservation in before the deadline. You can cancel if your plans do not work out.

I gave John's book a plug in *Milestones* No. 105 which will be published in the spring. Sounds interesting.

Betty and I wish you and yours a happy new year.

Betty
+ Merwyn

The length of our yearly holiday letter continues to be of concern to us. Consequently, we have adopted a new format. The first part will allow us to extend our warmest wishes for the holiday season and for the new year and to give you a brief accounting of a few activities which may be of interest. The second part is an update from last year's letter and is designed primarily for relatives and other friends who have a special interest in our immediate families.

Our major travel itinerary included the AASA Convention in Orlando, Florida in February; the AASA Past Presidents' Annual Retreat in Branson, Missouri in June; and the Annual Board Meeting of the People to People International Student Ambassador Institute in Spokane, Washington in September. Most of the summer and fall were spent in New Hampshire. We are now in Vermont and, except for a few brief trips to New Hampshire and Massachusetts, we expect to be here until early February. At that time we are planning to go to San Francisco for the AASA Convention. When we leave San Francisco, we are planning to drive through the Pacific Northwest to Boise, Idaho for a visit with the Don Curtis Family.

Burlington, VT Area Buffum Family News Update

Michelle (Mary's daughter) and Neil Aguiar became the proud parents of a son (Caleb) in February. Lori and Paul Choiniere (Mary's son) became the proud parents of a son (Tanner) in May.

We are happy to report that Courtney (John's daughter) continues to improve. Recently, she has shown a distinct desire to help herself more, physically, as well as displaying increased mental alertness. The theatre, dining out and some shopping now have a much stronger place on her agenda. Her new caregivers, Gail and Eric, building upon the excellent base established by their predecessors, have created an air of cautious optimism for the future.

Dear Emily:

Your good news - bad news letter of April 14th received. We shall mis you at the reunion.

I know how difficult Courtney's condition is for you as well as for her and the rest of the family. You showed your love for her when you spoke of her. Our daughter, Lorraine, is the coordinator of the Spinal Cord Injury Center at Jefferson Hospital. We, of course, have experienced through her and also through two young men of our church, the devastating problems encountered by the families of people who have become handicapped for long periods. The young people involved are either victims of auto or swimming accidents. Betty and I shall remember Courtney and you in our prayers. God grant that she will recover.

I know you are pleased to sell your house and get up to Vermont to stay. Hope that does not mean you will not be able to get to our meetings in the future.

Our best as always,

temporarily -

Dear Mervyn, Charles + Gaius:

Just received the news sheet w/all the info on our original Miles- sounds very good- and the Reunion sounds like fun = but I will not be able to attend —— because:

I will be living in Burlington, VT by then and that particular weekend my step granddaughter is being married here- This is the good news—

The bad news ~~is~~ that my wonderful granddaughter, Courtney, was in a very bad auto accident up here on Feb. 15- alone in the car, seat belt on, crashed into a telephone pole ending in a brain hemorahage (sp?) which was removed leaving her paralyzed on one side and not too great on the other —

She was in ICU for 10 days - *very* critical - now is on the 6th floor and improving inch-by-inch w/therapy, etc. but is still considered in a coma - since she does not respond on command. It will be a long road, but everyone is very positive. I have been w/ John & Mary since 2/16 - very comfortably with time out to go home to close on my house which I did 2 weeks ago, thank goodness, then I came back here & will go home again next Wed - 4/19 until 5/5 when I get moved up here. I am looking forward to it very much - feel particularly strong about being here because of Courtney. The Lake & mtns. are still beautiful!!

I will make copies of this letter for Charles & Gaius - since I don't have my typewriter here -

Best to you - I'll be in touch again -

— Emmy

Re: Emily Merwin Buffum et al

Son - John Merwin Buffum - married for second time to Mary Ann George Choiniere*

*Choiniere was her first married name -
marriage terminated by divorce -
She wished name Mary Ann George to be used.
George was her maiden name

Date of marriage: 10/24/80 (a Friday) in Essex Junction, VT

Mary had 2 children - Paul H. Choiniere and Michelle A. Choiniere by her first marriage, now living with John and Mary.

Courtney Buffum[12] lives with mother (Mrs. Victoria Buffum) in Shelburne, VT.

Under #4095. Emily Spalding Merwin (that's me) the paragraph is OK except down underneath a John Merwin and 1) Courtney then the next thing is -- Mrs. Buffum was graduated etc. this doesn't seem to connect with the paragraph about me under 4095 - or does it? Also, John graduated from Middlebury College in 1966.

Merwyn: Hope you can decipher the above. (see over about my brother's family ---

NOTE: You may either write the section requiring revision as it should be or note that a date should be changed from______ to _____ or spelling changed from_____ to______. Please state the change as clearly as possible. If you need more space, use a separate piece of paper. Submitted by Emy Buffum

Dear Stuart:

Many thanks for the printouts from the Internet

I had hoped to find some information that we lacked on the Merwin ancestry. However, the printouts contained only information taken from Doug Richardson's article in the NEHGS *Register* for July 1995 and October 1995.

At any rate, I appreciate your satisfying my curiosity. If you locate any other info on the Internet, please give me a copy.

Dear Merwyn:

Thanks for your letter re the Internet. It is really surprising what one can dig up using the various "search" programs available. You will find enclosed several pages of printouts which I made from the information retrieved using *Infoseek Guide*. All this information, and very likely much more, is contained in the Churchyard/Orr Family Museum (Genealogy) which was prepared by James Nohl Churchard and installed in the Internet by Henry Churchyard.

Look at page 2 of the enclosed Table of contents to Ancestry Charts for the name Mary Tinker, and then page 9 of the Ancestry charts, Part 3. I'm sure you will be able to better understand the chart layouts and nomenclature, than I.

If you want to check with the Churchyards, the following addresses were given:

Hope this is of some help.

This file contains a number of four-generation genealogical charts, with higher generations shown on the right. Clicking on links on a person's name or number in a genealogical chart will take you to an alternative entry for the same person (links on a person's name connect the entries in descending and ascending charts with each other; links on numbers cycle among duplicate entries created by cousin intermarriage).

Clicking on a chart's number, in the heading that precedes each chart, will return you to the corresponding part of the table of contents. (The table of contents is organized according to ancestry, with greater indentation indicating remoter generations.)

MR STUART S MERWIN
1240 EMBER COURT
MARCO ISLAND FL 33937

Dear Stuart:

Gus Merwin passed on your letter dated 1 March regarding your findings on the Internet.

I can answer your question about W.S. Merwin. Although his father was once a member of our Association, he is not and can not be since he is not a descendant of Miles1. He is a Merwine. The family are of German descent. dropped the "e" to Anglicize the name.

I am most interested in the Merwin information you found in the general genealogy section. Each of these people are shown in our recently published book, *The Ancestry of Miles and Elizabeth (Powell) Merwin.* Suggest you order a copy. John is found on page 39 (Appendix 1); Mary page 3; Thomas page 2. Could you possibly download these entries and send me a copy? I would like to find the source of the entries.

Looking forward to hearing from you. The book mentioned is listed in the Publications section of *Milestones*. Instructions for ordering are included.

Best regards,

Merwyn R. Buchanan

Dear Gaius:

I've been fiddling around with the Internet, and the other day asked the World Wide Web to "search" for Merwin.

I thought the enclosed print-out concerning W.S.Merwin might be of interest.

Also, further, under a general genealogy section I found the following:

Merwin
  John 40460
    ~1490 England, 1552 appendix 1 p 39
  Mary 10115
    ~1575 England, 1669 CT p 3
  Thomas 20230
    ~1525, 1586 England p 2

You probably already know about the above, but it was of interest. I've the feeling that there's a lot more inf. courtesy of the Internet if one could really learn how to use it to the max.

Best regards,

Stu

Dear Merwyn:

I have your letter and the enclosed draft of the 10th generation. I've made one small correction which you may wish to include.

I'm also attaching to this letter a brief statement on my son, Stuart Spalding[11], for inclusion in your 11th generation manuscript.

I've also given my daughter, Hollace Ann[11] Merwin Weld, a copy of your letter, since I'm sure she will wish to be included in the 11th generation manuscript inasmuch as our grandson, Andrew Merwin Weld, is, I presume, a bonafide addition to the 12th generation.

Keep up the good work.

Very truly yours,

Stu Merwin

Dear Cousin:

Thank you for your note of June 29; you are correct that I am in the process of retiring.

You may write my daughter, Hollace (Holly) Merwin Weld, at 4061 Upham St., Wheat Ridge, Colorado 80033. She and her husband, Walter E. Weld II, presented us with a fine grandson on February 18. His name is Andrew Merwin Weld.

Have always been pleased to be "in the family" and a member of the association for a good many years, and certainly appreciate the hard work which you and other officers of the association have put into making it one of the premier family groups in the country.

Best personal regards,

Stu

As you may know, the Miles Merwin Association is anxious to make the Merwin genealogy more than a statistical listing of names and dates. To make the record interesting, colorful and personalized, we must have biographies of living Merwins. These might include schools attended, degrees obtained, awards, military service and other accomplishments or interests.

Many Merwins submitted biographies with their genealogical line information, but these may have been furnished some time ago and need to be brought up to date.

We are making good progress in completing the genealogy, accordingly, we must ask for your reply before November 30th for inclusion in the manuscript.
